Executives & Owners

Contact information for all Owners, Directors, Officers, and VPs associated with an Organization. It is created by combining the Contact information for all Directors & Officers associated with all Legal Entities that make up the Organization. This includes their job title and position, LinkedIn, phone (landline / mobile, direct / general); email (professional / personal); and address (business / residential). For SMBs, the owner address may be residential.

Contacts

Provides all known Contacts associated with an Organization, including their job title and position; LinkedIn; phone (landline / mobile, direct / general); email (professional / personal); and address (business / residential). For SMBs, the contact address may be residential.

Locations / Addresses

Provides all known addresses associated with an Organization. Addresses are based on legal addresses reported to Secretaries of State, official HQ addresses reported to regulatory agencies (IRS, SEC, SBA, etc.), office locations reported as having employees, and consumer-facing business locations (e.g., stores, restaurants). For SMBs, the legal and / or official address may be residential. All addresses are standardized using USPS methods.

Legal Entity Stock Filings

Provides the capital structure, filing history, and corporate events tied to all private companies with an ultimate parent in Delaware, which constitutes about 2/3 of large companies and almost all holding companies in the U.S. From this product, one can infer changes that have taken place in authorized shares, and their basic characteristics.

Legal Entity Directors & Officers

Provides the Directors and Officers of Legal Entities, including their official legal positions (ranked in order of importance); whether they are a person, company, or registered agent; and address (sometimes residential). A director or officer is an individual or company that exerts legal control over an entity.
